

HARNESSTOM participates on FERIA Agrícola de Meliana

On Friday 17 to Sunday 19 was held the XXII edition of the Fira Agrícola i Comercial de Meliana ([Fimel Meliana - Inicio | Ajuntament de Meliana](#)).

Within the framework of the Fira, on Saturday 18th D. Salvador Soler from UPV and member of Harnesstom Consortium gave a talk on "Seed disinfection, selection and improvement of the Valencian tomato".

Several people attended the workshop, most of them members of the Association of Producers and Marketers of Valencian Tomato.
